

A PERFECT CHECKOUT EXPERIENCE FROM START TO FINISH

Easily accept payments on your site with CSG Forte Checkout

You want your website to have an easy, end-to-end buying experience—without a checkout solution that feels tacked on. CSG Forte Checkout is a customizable payment interface that plugs into your existing site with just a few lines of code. You accept the payments, and we store and secure the sensitive data for you.

A ROBUST CHECKOUT SOLUTION THAT CAN BE CONFIGURED TO YOUR NEEDS.

Clean and user-friendly – The responsive design overlays your existing site and reads perfectly on any device.

Customizable payment form – Maintain full control over the data collected via forms.

Intelligent features – Customers can store account information, set up recurring transactions and more.

INTEGRATED CHECKOUT SOLUTION BUILT TO BE ROBUST YET FLEXIBLE

MADE FOR DEVELOPERS

OUR FULL-STACK APIS AND DETAILED DOCUMENTATION
MAKE IT EASY TO INTEGRATE WITH CSG FORTE
CHECKOUT USING JUST A FEW LINES OF CODE.

OTHER INTEGRATION OPTIONS INCLUDE SECURE WEB
PAY CHECKOUT, FORTE.JS, REST, AGI AND BATCH.

WHY SHOULD YOU USE CSG FORTE CHECKOUT?

- > Sensitive information is tokenized for added security
- > Strong authentication and data integration
- > Customers can save and edit payment and account information
- > Stored payment information makes for simple return or recurring sales
- > Customers stay on your site from cart to checkout with no redirects

A CHECKOUT SOLUTION THAT HAS YOU COVERED.

Swift and secure payments – Our PCI-compliant solutions keep data safe using encryption and tokenization.

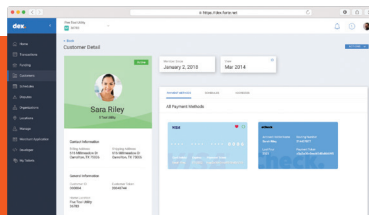

Process any payment – Accept credit/debit cards and eChecks online with CSG Forte Checkout.

Supporting hardware – Compatible with multiple point-of-sale devices for card-present solutions.
