

# SECURE ONLINE PAYMENTS MADE EASY.

Quick, simple experience with SWP Checkout

Building a portal to accept online payments takes time, money and technical resources. Save those resources and send your payers to CSG Forte's Secure Web Pay (SWP) Checkout instead. Our website takes credit card and eCheck payments for you, keeping payment information safe with PCI Level 1 compliance.

## COLLECT SENSITIVE PAYMENT INFORMATION AND REDUCE YOUR PCI SCOPE USING SWP CHECKOUT.

**No developers necessary** – The CSG Forte team will help you set up this user-friendly checkout solution.

**Secure payments** – Our CSG Forte-hosted checkout solution is PCI compliant. All payment information is tokenized.

**Payment methods** – Maintain Nacha Operating Rules for ACH originators to validate online transactions for fraud.

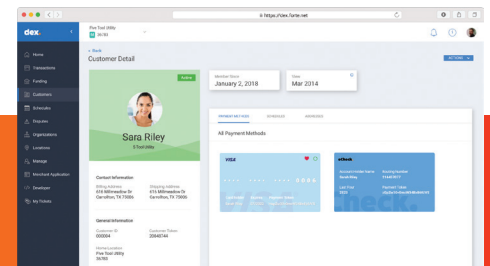

**Merchant customization** – Tailor the customer experience with your own images and field validation.
